

Sisterhood...

... is women who make a difference
... is one woman joining with another woman and another to do together more than one can do alone
...brings women together to plan, implement and fund programs for CBS and our community at large
...provides opportunities for friendship, personal growth, spiritual growth, service, and education

Sisterhood can make a difference in your life and in the lives of every member of Beth Shalom. Together, we can bring to our congregation a sense of belonging, a sense of dedication to the Jewish faith, and a commitment to the Jewish community in which we live.

Please take a look at our report card for this past year. These are just the highlights of our many accomplishments. Wouldn't you be proud to be a part of all these wonderful achievements? We need **YOU** to make our future successes possible!

Our board has worked hard to create a variety of new and fun programs. We have scheduled them at various times and days of the week so that everyone will have the opportunity to attend something each month. Check out our exciting calendar and tear it off! Put it on your refrigerator so you don't miss a thing! **This is Your Sisterhood!**

Each woman in our CBS family has something unique to offer. Through Sisterhood, we combine these talents to achieve our goals and become "stronger together".

Whether you have minutes or hours to share, we welcome you to be a part of our Sisterhood!
