

Shabbat

One of the nicest ways to celebrate community is after Shabbat services, to share a cup of coffee and slice of fresh challah, with our fellow congregants.

Our Oneg Shabbat and Kiddush receptions are currently provided by Beth Shalom but you have the opportunity to sponsor one (or both), in honor of someone, an event or to support our congregation.

Please indicate your choices below and submit a check made payable to Beth Shalom. Refreshments will be purchased in your name and recognition will be given in the weekly program.
